

# Backend Developer (f/m/d)

Full-time or part-time | Vienna | Experienced

Financial advisory rethought: riskine is a successful FinTech from Vienna. We are a highly professional, friendly, and multicultural team.

For the next growth phase, we are looking for YOU as a **Backend Developer** for integrations. Someone who is passionate about cutting-edge technology, wants to make a positive impact on the industry, and loves simple solutions for complicated requirements. #noriskinenofun

## Your role

- As part of our customer delivery team, you are responsible for the technical integration of our API products.
- You introduce our state-of-the-art integration architecture to our customers and support the IT team during the integration phase.
- You collaborate with our product team to enhance and innovate our integration APIs.
- You work with a state-of-the-art software stack, including Docker, RESTful API, PHP, Python, PostgreSQL, Flask, SQLAlchemy, Dapr, and Traefik.

## Your profile

- Minimum of 3 years of experience as a developer with one or more languages: Python, PHP, Java, JavaScript, Golang, or similar.
- Experience with request-based applications and object-oriented programming.
- Fluency in English; German language proficiency is a plus.
- You are passionate about the modular microservices architecture – flexible, intelligent, readable, and reusable.

## What we offer

- Your minimum salary is € 3.455 gross according to the IT collective agreement. Overpayment is explicitly considered, depending on your professional experience and qualifications. Additionally, you benefit from the company's overall success by receiving a variable and performance-based bonus.
- Join an international team with a strong culture, flat structures, and joint activities (company events, after works, cooking evenings, etc.).
- Flexible working hours, a hybrid work model with home office days, and a cool office with good accessibility at Naschmarkt in Vienna.
- A Wiener Linien annual ticket, which allows you to use public transportation in Vienna 365 days a year for free.

**Ready for a new challenge?** We are looking forward to your application via [LinkedIn](#) or via e-mail to our colleague Beatrix Habelsberger.

Your contact at riskine:

**Beatrix Habelsberger**

HR Manager

About riskine: We develop digital advisory solutions for the financial industry and have been able to win numerous insurances and banks in Europe as customers since our company was founded in 2016. Our products are based on the latest technologies, in particular graph databases, natural language processing, machine learning, and efficient forecast models.

We are particularly proud of our top-class team, a diverse mix of former management consultants, finance experts, mathematicians, artificial intelligence, and IT professionals. #joinus
